

The Gin List	
Bathtub – Ableforth's, Atom Supplies, Tonbridge.	43.3% Distilled with botanicals and then some is infused with a further six botanicals, capturing the vibrant flavours of orange peel, cassia, juniper, coriander, cardamom and clove. Leaving our gin with its distinctive botanical hue.
Bombay Sapphire Laverstoke Mill, Whitchurch, Hampshire.	40% Juniper, lemon peel, coriander, angelica root, orris root, grains of paradise, cubeb, cassia bark, almonds, liquorice.
Brennen & Brown Colonial Cheltenham	43% Smooth, crisp with fresh French juniper at the forefront, citrus notes of lemon and orange, exquisitely finished. Effervescent lively, juniper.
Brighton Gin	40% Made with a pure wheat spirit– super smooth, and without any of the nasties that can give you a sore and sorry head – which we re-distill with juniper, fresh orange and lime peel, locally-grown coriander seed (the first UK commercially grown coriander seed in over 200 years) and milk thistle, which is indigenous to the South Downs and renowned for its kindness to the liver function. Soft, fruity & smooth.
Brockmans – Woking	40% Citrus, coriander, berries, pine & lavender, smooth.
Campfire – Puddingstone Distillery, Lower Icknield Way, Wilstone, Tring.	Ten carefully selected botanicals, including rich rooibos, sweet, fresh orange, hazelnut and piney juniper are distilled with the finest UK wheat spirit. The result is a gin that leads with a citrus nose and juniper palate, has a rich middle and sweet end that builds.
Caorunn Balmenach Distillery, Cromdale, Cairngorm National Park.	41.8% Carefully handcrafted in the Scottish Highlands, Caorunn expertly infuses five locally foraged gin botanicals. Artisanal and small batch, beautifully mixing the rugged charm of Speyside with the urban sophistication of modern Scotland. Rowan Berry, Bog Myrtle, Heather, Coul Blush Apple, Dandelion Leaf .
Cheltenham – The Cheltenham Gin Co. Broadway, Worcestershire	40% Juniper, citrus, botanicals and spices.
Cotswold Dry Gin The Cotswolds Distillery, Phillip's Field, Whichford Road, Stourton.	46% A delectable blend of nine carefully considered botanicals, including lavender from here in the Cotswolds. Our IWSC Gold Award winning gin is clean and balanced with juniper and citrus notes
Daffy's - Strathmashie Distillery, Cairngorms.	43.4% ABV Eight botanicals including Lebanese mint and Spanish citrus. The bottle design, incidentally, is the work of Robert McGinnis. Citrus and floral nose, angelica & lemon finish.
Drumshambo Gunpowder Co. Letrim, Ireland.	43% Oriental citrus, gunpowder tea & spices. An Irish gin from made with juniper, angelica, orris, caraway, coriander, meadowsweet, cardamom and star anise as well as vapour infused oriental lemon and lime, fresh grapefruit and gunpowder tea!
Foxdenton 48, Foxdenton Estate, Buckingham.	48% A lime scented, creamy, rich base, ideal for cocktails, juniper and coriander finish, best with lime and a straight tonic.
Garden Swift – Capreolus Distillery, Stratton, Cirencester.	47% ABV 34 botanicals, including Sicilian blood oranges and British lime leaf (florals & honey not citrus). Multi-layered with ripe fruits, sweet spices, resinous pine and floral notes.
Gordon's London Dry Gin	37.5% In 1769 Alexander Gordon started his distillery in London and set about creating the recipe for a brilliant tasting gin. Carefully distilled using a secret recipe. The distinctively refreshing taste comes from the finest hand-picked juniper berries and

	a selection of other botanicals.
Hendrick's The Hendrick's Gin Distillery Ltd, The Girvan Distillery, Girvan.	41.4% Hendrick's wondrous botanical signature consists of flowers, roots, fruits and seeds from the world over. They function to complement and set the stage for our delicious duet of infusion: rose petal and cucumber.
Jawbox Jawbox Spirits Co. Belfast	43% Big, bold juniper and pine notes balanced with coriander and clean citrus that becomes more complex on the palate. Starts with citrus and juniper developing into pepper, green angelica and subtle rootiness. Citrus with lingering juniper and pine with the quiet complexity of the supporting cast.
Ophir (O-peer) G&J Greenall, Warrington.	40% Soft camphor, some sweetness and oriental spices create a warm mouth feel that lingers but does not increase in intensity. The recipe includes spicy Cubeb berries from Indonesia, Black Pepper from India and Coriander from Morocco
OX1 Chalgrove Artisan Distillery, Chalgrove, Oxfordshire.	40% A taste of winter, rich spices, very moreish. Distilled at 40% ABV using natural mineral water sourced in Oxfordshire and the finest botanics available. The name derives from the central area of the city Oxford. A star in the making, all of which stems from its successful use of star anise, lavender and cardamom its focal botanics. The star anise is allowed to infuse overnight with the pure grain spirit and other botanics and is then distilled using our copper alembic stills. This ensures that the gin is smooth in taste and distinctive in flavour.
OX4 Chalgrove Artisan Distillery, Chalgrove, Oxfordshire.	40% Complex, bosky, sweet edge. Our OX4 Gin, which is distilled at 40% ABV uses natural mineral water sourced in Oxfordshire and the finest botanics available. Taking its name from the cosmopolitan area of Oxford, OX4 is a dry, 'hoppy' gin. This truly remarkable flavour is achieved by combining junipers, angelica, coriander and other botanics with English beer hops.
OX44 Chalgrove Artisan Distillery, Chalgrove, *Oxfordshire.	45% Full classical flavour with a citrus finish. Our premium OX44 Gin (taking its name from the postcode of the distillery), is distilled at 45% ABV and uses natural mineral water sourced in Oxfordshire in addition to the finest botanics available. In our distillation we use juniper berries, coriander seed, angelica root, cardamom and black peppercorns to name but a few. We create our gin with care and dedication using our copper alembic stills. This ensures that we produce a premium product. In addition, by not chill-filtering we are able to retain all of the flavours in our OX44 Gin.
Ramsbury Single Estate Ramsbury Brewing & Distilling Company Priory Farm, Axford, Marlborough, Wiltshire.	40% Nine botanicals (juniper, fresh quince, cinnamon, liquorice, orris root, dried lemon peel, dried orange peel, angelica). Field to table from the heart of Wiltshire. Using Horatio wheat and our own chalk filtered water source. Our distillery uses heat generated by a biomass boiler fed by our own sustainable woodland. Our livestock are fed the spent wheat from the distillery. Our waste water is cleaned by a wildlife friendly reed bed system. Managing every step from field to table means only the highest quality products bear the Ramsbury ram's head.
Sibling Original Gin Dowdeswell Park, Cheltenham.	42% Subtle notes of fresh citrus and light juniper lead, while distinctive tones of vanilla and blueberry round off some of the sharper fore-flavours and give the gin its characteristic smoothness.
Stratford The Shakespeare Distillery, Alscot Estate, Stratford upon Avon.	45% Juniper, herbals, citrus and florals.

Tanqueray by Charles Tanqueray	43.1% The classic - recipe unchanged from the 1830's from just four botanicals. Recommended with lime.
The Botanist Bruichladdich Distillery, Islay.	46% Distilled with an additional 22 island botanicals such as creeping thistle, lady's bedstraw, meadowsweet, tansy & sweet gale.
Tiny Rebel Clwb Tiny Rebel Brewing Wern Industrial Estate Newport	4.2% A burst of Welsh gin and tropical fruit, based on the beer they brew, sweet fruits and tropical spices.
TOAD Oxford T.O.A.D. – The Oxford Artisan Distillery, Oxford's only distillery.	46% A classic Juniper-forward gin with layers of bright citrus and aromatic made with a base of ancient organic grains.
TOAD Ashmolean	40% A spicy one based on world botanicals from the museum, followed by florals, orange and pine.
TOAD Phytic	42.1% Juniper overlaid by herbaceous, savoury complexity.
Warner Edwards Elderflower From Harrington, Northants.	40% Harvested just once a year, we capture the very essence of a British summer's day, from field to bottle in just a few short hours. A beautifully balanced gin that is smooth, sweet and delicately fragrant with summer elderflower. Enjoy over ice or in a refreshing G&T – summer in a glass.
Warner Edwards Rhubarb From Harrington, Northants.	40% Made using a crop of rhubarb originally grown in the kitchen garden of Buckingham Palace during the reign of Queen Victoria. The rhubarb juice is extracted using a traditional fruit press and blended with our Harrington Dry Gin to produce an alluring pink gin that is voluptuous on the palate with a sweet and tangy royal rhubarb explosion.
Whitley Neil Rhubarb & Ginger The Sovereign Distillery, Huyton Business Park, Wilson Rd, Liverpool.	43% The essence of rhubarb adds a tart crisp edge to a smooth English gin base whilst the ginger extract warms the palate for a full-bodied finish. BOTANICALS: Juniper, Orange, Lemon, Orris Bark, Coriander Seed, Angelica Root, Rhubarb Extract, Ginger Extract, Licorice. "The Refresher".
Williams GB Chase Farm, Rosemaund, Herefordshire.	40% Britain's first Single-Estate Gin. Juniper buds and berries are added to Chase Vodka in the belly of our copper carter head style still, Ginny, for the driest finish. Then wild botanical infusions of cinnamon, nutmeg, ginger, almond, coriander, cardamom, cloves, licorice and lemon give our one-of-a-kind gin its distinctive flavour. From the maker of Tyrells crisps.
Williams Chase Seville Orange Chase Farm, Rosemaund, Herefordshire.	40% A fine enhanced with a re-distillation through oranges from Seville.
Wood Bros. Black Bourton, Oxon	44% single estate, Following the age-old route of the one shot distilling technique, our Wood Brothers Single Estate Gin combines home-grown herbs, lavender, rosemary and dill, with traditional gin botanicals, such as juniper berries, angelica root and citrus peels.
